Dazzling Dahlias!
Festival 2020

Our Dahlia plant decided he was depressed
over 2020, and therefore would not be making
an appearance this year.
(Don't worry, he is seeking professional help.)

However, the Gerbera Daisies were feeling more
positive and agreed to make an appearance.
(They are also in compliance wearing a mask.)

Highlands Fine Art & Estate Jewelry is proud
to support our community and the
Dazzling Dahlias Festival...
(We apologize for the inconvenience.)
